We have completed painting the east side of the Church. We are painting, varnishing benches, refinishing floors, cleaning gutters, working on the furnace and mowing the ever growing grass. It is our ambition to leave the physical plant in perfect condition for the fall.

Plans and meetings are under way to establish a Y.P. group. Due to them working in the cannery this will not begin until the fall.

Each monthly report should be accompanied by a detailed narrative of the Missionary's labors, describing the nature of his activities and recording interesting incidents and experiences.
